Cases: 4555 x 12 **Bottled:** August 2020 **Release Date:** September 2020

Winemaker's Notes

One constant of each vintage is that it will be different from any previous one – the variables of climate guarantee it. Consequently, each vintage is eagerly anticipated and with it, the chance to begin again on a blank canvas. The Sauvignon Blanc grapes for Harvest 2020 were picked on the 28th February, 10 days later than the previous vintage, and signalled the culmination of a season that can only be described as **exceptional**. Small berries ensured concentrated fruit which has produced a wine with substantially concentrated and satisfying aromas and flavours.

Hand-picked and *triaged* in the vineyard, all our fruit was safely in the cellar by mid-morning, guaranteeing that the exciting fruit flavours of the grape were preserved and are now beautifully articulated in this wine.

Wine Style

Our cool-climate, alchemy-free unwooded white wine celebrates the virtues of elegance, vivacity and finesse. Most importantly, the Sauvignon Blanc grape is merely the chosen vehicle to express the free-draining Table Mountain Sandstone soils on which the vines are planted. Consequently, our Sauvignon Blanc is a *vin de terroir*. Seamlessly incorporating the very best that the Old and New World styles have to offer, favouring **individuality** and **minerality** ahead of pure, pungent fruit, it is a wine of substantial poise, length and charm.
