

## THE INNOCENT CVS WHITE BLEND 2019

A delicious everyday drinking wine. A fresh wine with hints of quince, pear and zesty lemon and lime flavours. A full mouth feel with a lingering aftertaste and crisp acidity. A perfect blend of Swartland Chenin Blanc (C), Viognier(V) and Sauvignon Blanc(S).

### IN THE VINEYARD & VINIFICATION

Farmed dry-land, thus not irrigated. All grapes used are from our vineyards. The Chenin vines are roughly 50-year-old bush vines. The Viognier, and Sauvignon Blanc are also on varying degrees of decomposed granite but on opposite slopes of the valley thus different ripening patterns are observed and there is more to play with in the cellar. There is no specific recipe that we use; each vineyard block is treated according to their strengths and weaknesses. The grapes are hand harvested into small 20 kg lugs in the early morning, cooled overnight before the grapes are hand sorted. Each component of the blend was kept separate during the winemaking process. After aging the wines for 7 months in old French oak barrels, wooden foudre, Stainless Steel and concrete tanks the final blend was made and bottled.
