## 2019 Foothills Syrah

Very easy to like, yet there is complexity, underlying layers and structure: maraschino cherry intensity and plum compote, with tobacco leaf savouriness and a faint hint of scrub.

Ticks all the boxes, plush ripeness, succulent and ultra-smooth.

The oak is well chosen, 14 months older barrels designed to add flavour and gentle grip, but essentially to fit in seamlessly, never intrude.

Of the two Shiraz wines in the range, this one is for immediate enjoyment.
