

THE NINES COLLECTION

The concept of mineral purity draws on a story of wonderful pure minerals in the soils of the farm.

Four nines denotes a mineral as close to pure as is possible, referring to the four nines in the percentage 99.99%

SING-A-WING SAUVIGNON BLANC 2022

An expression of sophistication, elegance, purity and complexity of terroir that holds one's attention. A reflection of nature in each glass. The grapes for this wine were sourced from our high lying Sauvignon Blanc vineyards situated at 620 metres above sea level. The exceptional delicate flavours of select parcels deemed them worthy of being released as Sing-a-Wing Sauvignon Blanc.

This wine tells the story of a loving couple and the term of endearment shared between them, Sing-a-Wing. The poem written by O.T.V. Senior to his wife, Margaret, on the occasion of their 25th wedding anniversary, is shared on the back label of this Sauvignon Blanc.

ORIGIN	Helderberg, Stellenbosch
ASPECT	South-West facing slopes
SOIL	Decomposed granite –Tukulu
ALTITUDE	470 m above sea level
PROXIMITY TO THE OCEAN	9 km from False Bay
VINTAGE CONDITIONS	An exceptional cold winter and overall cool growing season with above average rainfall made for the perfect growing season. Winter rainfall was 607 mm and there was snow on the peak of the Helderberg Mountain above the farm. A cool and wet budding season with less wind than expected during flowering, made for a challenging period. With 50 mm rain during ripening and temperatures rising moderately, we experienced a fairly cool period. Moisture levels remained favourable and overall the conditions were ideal – one of the best seasons experienced to date with excellent concentration and elegant flavour in our berries.
OPTIMUM SERVING TEMPERATURE	12 – 14 °C

TASTING NOTES

COLOUR	Clear
NOSE	Delicate on the nose with perfumed notes of elderflower, jasmine and rose petals on an elegant mineral base.
PALATE	The embodiment of refinement with a creamy centre, beautiful dense structure showcasing guava, passionfruit and with a pristine acid line. Attractive musk character, flintiness and chalkiness melding to create the silky, sleek saline edged palate. Clean, focused and lingers for an age. Immense luxury in a glass.
GRAPE VARIETY	Sauvignon Blanc
WINE ANALYSIS	Alcohol: 13.0 % RS: 1.6 g/litre TA: 6.8 g/litre pH: 3.07
