

# JESS ROSÉ

## 2022

What started as a beautiful gesture between a father and his daughter on her 16<sup>th</sup> birthday, has grown into one of Vrede en Lust's biggest success stories over the past decade.

The playfully pink Jess rosé has a delicious bouquet and over-delivers on quality. Light bodied and bursting with aromas, this wine is characterized by its crisp style and fruity palate.

## Winemakers Notes

The grapes are harvested at different times to allow for greater complexity in ripeness flavours. These components are fermented separately in stainless steel tanks to enhance the final blend. This wine is treated in the same way a white wine is produced.

## Tasting Notes

The Jess displays aromas of fresh strawberry, raspberry and watermelon fruit with floral notes leading to a smooth finish.
