

# PINOT NOIR 2020

**This Pinot Noir showcases the cool climate terroir aspects of the Vrede en Lust farm in Elgin named Casey's Ridge.**

This Pinot Noir's grapes are planted on Vrede en Lust's Elgin farm, Casey's Ridge. Two clones (PN115A and PN777) were planted on the same soil types -Table Mountain's Sandstone and Skalie/Nabanksoil.

## Winemakers Notes

The grapes were harvested in February and fermented in stainless steel tanks after careful berry sorting took place. After inoculation the juice was carefully handled with light pump-over and gentle pressing. Aged for 9 months in French oak barrels, no new oak was used.

## Tasting Notes

Deep ruby red colour with hints of strawberry and red berries on the nose with a touch of fine herbal elements -typical of the cooler climate wines. Well ripened tannins with a hint of oak and a refined finish
