

TR3SMANO Vendimia 2020

VINEYARDS

100% Tempranillo. From 40 to 80 year old vineyards (50 years on average) located in the areas of Olmedillo, Roa, La Horra, Moradillo, Pesquera and Peñafiel.

HARVEST

The year had higher than usual temperatures, resulting in a much milder winter period than usual. 2020 was differentiated by abundant rainfall, particularly in the month of April. The temperatures, together with the rainfall recorded during the spring, allowed the plants to sprout very well. July and August were warm and it rained more than expected, which allowed to generate good levels of water reserves in the soil, allowing the plants to complete the cycle in optimal conditions. The harvest was late and began at the end of September.

WINEMAKING

The year had higher than usual temperatures, resulting in a much milder winter period than usual. 2020 was differentiated by abundant rainfall, particularly in the month of April. The temperatures, together with the rainfall recorded during the spring, allowed the plants to sprout very well. July and August were warm and it rained more than expected, which allowed to generate good levels of water reserves in the soil, allowing the plants to complete the cycle in optimal conditions. The harvest was late and began at the end of September.

TASTING NOTES

Very high intensity of cherry red color tones. The nose is surprisingly aromatic, a mix of fresh blue flower notes over ripe red fruit with subtle hints of tea, coffee and toasted / smoked spices.

In the mouth, it is fleshy and fresh with complexity and power, yet fine and elegant. The tannic structure is silky and perfectly balanced with acidity and alcohol, leaving a prolonged persistence on the palate.

SERVING SUGGESTION

Pairs perfectly with Iberian ham and cured sheep milk cheese appetizers. Main courses of lamb, wild game and red meat. Any dark chocolate dessert.

DATA

ABV: 14,5% vol.

Vintage Rating by the Regulatory Council: Excellent.

Production: 65,384 bottles of 75 cl, 1,142 Magnum bottles, 14 bottles of 6L and 6 bottles of 9L
